

# HIRING: ARCHITECT/ ARCHITECTURAL DESIGNER

krM Architecture+ is committed to craft and quality in all we do. We are a collaborative, creative studio collective focused on innovation. We are seeking talented design professionals to expand our mission. Design matters, and with every project we move the needle in the right direction. Join a team who leverages design as a tool to create a more equitable sustainable world.

## Requesting an uniquely experienced and collaborative production professional with 3-5 years of architectural experience with the following:

- Overseeing one or more projects from beginning to end, during the construction document phase.
- Researching, investigating, and applying design standards for new construction and renovations of all building/market types.
- Developing technical details for the project including plans, sections, elevations, plan/sections details and schedules.
- Coordinating and participating in design project teams, including project pen reviews and charrettes.
- Assisting and providing input on code research.
- Coordinating and participating in design projects while collaborating with entire project team.

## What are we looking for?

- Accredited (NAAB) Bachelor and/or Master of Architecture.
- Proficient with Revit and Adobe Creative Suite.
- Strong verbal, visual, and written communicator.
- Ability to work as part of a team without direct daily supervision.
- Desires thought-leadership, design research, and honing their craft.
- An initiator, self-motivator, and driver demonstrating critical thinking along the way.
- Possesses a positive attitude.
- Proven experience writing and coordinating architectural specifications using CSI MasterFormat standards.
- Proven experience developing accurate qualitative and quantitative construction cost estimates at various design stages.
- Experience and/or interest in sustainable design/LEED/WELL AP desired, but not required.
- Architectural license preferred, but not required.

## Next steps:

Qualified and interested candidates should apply via email (resume, cover letter and portfolio as one PDF file no larger than 10MB) to [info@krMarchitecture.com](mailto:info@krMarchitecture.com). The subject line of the email should read 'krM Architecture Design Applicant 2021'. Applications will be received until March 31, 2021 whereas interviews will be held thereafter.
